Dear Sir:

This paper is being filed as a Supplemental Amendment to the Amendment filed April 30, 2009 in response to the Office Action dated January 30, 2009. This Supplemental Amendment is being filed to correct a typographical error in the amendment made to claim 1 so that claim 1 correctly reads that the silicone polymer is present in a range of 56.5% to 76.75%. In all other respects the present Supplemental Amendment is identical to the Amendment of April 30, 2009. Applicant requests the Examiner substitute this Supplemental Amendment for the previous Amendment dated April 30, 2009.

Amendments to the Claims are reflected in the list of claims which begins on page 2 of this document.

Remarks begin on page 8 of this document.
